

Course Numbering System

Related Policy:

- [Course Numbering: Twin Cities, Crookston, Morris, Rochester](#)

Appendix to Policy

Courses must have four-digit numbers following the system in this appendix. The first number designates the course level. The numbering system is as follows:

COURSE NUMBERING	COURSE SEQUENCE DESCRIPTION
0xxx-	Courses that are remedial and do not carry credit toward any University degree. <u>They may be assessed but which carry normal tuition and fees charges and count in financial aid calculations in the same way as courses that carry credit.</u>
1xxx-	Courses primarily for undergraduate students in their first year of study, <u>considered lower division courses.</u>
2xxx-	Courses primarily for undergraduate students in their second year of study, <u>considered lower division courses.</u>
3xxx-	Courses primarily for undergraduate students in their third year of study, <u>generally</u> considered upper division courses.
4xxx-	Courses primarily for undergraduate students in their third or fourth year of study, <u>generally</u> considered upper division courses. Graduate students may enroll in such courses for degree credit within limits set by <u>the Application of Credits for Students Earning Graduate Degrees policy this policy</u> and their program.

5xxx-	Courses primarily for graduate students; undergraduate students in their third or fourth year may enroll in such courses.
6xxx-	Courses for post-baccalaureate students in professional degree programs. Graduate students pursuing other post-baccalaureate degrees may apply such courses to degree requirements with program approval.
7xxx-	Courses for post-baccalaureate students in professional degree programs. Graduate students pursuing other post-baccalaureate degrees may apply such courses to degree requirements with program approval.
8xxx-	Courses for graduate students. Students pursuing post-baccalaureate professional degrees (e.g., DDS, JD) may apply such courses to degree requirements with program approval.
9xxx-	Courses for graduate students. Students pursuing post-baccalaureate professional degrees (e.g., DDS, JD) may apply such courses to degree requirements with program approval.

COURSE NUMBERING	THESIS CREDIT COURSE SEQUENCE
8666	Doctoral pre-thesis credits
8777	Thesis credits: master's
8888	Thesis credits: doctoral

COURSE NUMBERING	OTHER UNIVERSITY COURSES
XXX0	Topics and repeatable courses

XX91	Independent study
XX92	Directed reading
XX93	Directed <u>reading, directed</u> study
XX94	Directed research
XX95	Problems
XX96	Field study; internships, industrial assignment
XX97	Reserved for future use
XX98	Reserved for future use
